

Allow "The Academy" to take care of your most prized possessions...your family.

Infant care second to none!

Our infant care program in a caring, loving and nurturing environment for your infant!

The Academy of Young Scholars's mission is to lead from the front in innovation and early childhood education, to prepare children for success at school and beyond. Additionally, our main focus is to provide 21st century childcare and developmentally appropriate education that prepares children for a future in which technology, cooperation and leadership will be central to children's lives.
